Power Electronics Europe Web Site Advertising Opportunities

Power Electronics Europe is now firmly established as Europe's leading power electronics journal and with a dedicated web site (www.power-mag.com) is the only online product in Europe that can offer online information to a dedicated audience with the backing of a print magazine!!

Once online, our audience can source information on technical papers, news, new products, the UK based Power Electronics conference and exhibition With all this to choose from it offers you a great opportunity to promote your company to this online reader of Power Electronics Europe.
